

ENERGETIC BALANCE

To Whom It May Concern:

My name is Nancy Michelli. I am a Certified Nutritional Consultant. I have been in private practice since the month of May in the year 2000. I am a Certified BioSET™ practitioner and a Certified Advanced NMT practitioner as well as a Yuen Method™ practitioner, all of which are energetic techniques.

I have used NMT since it's inception as taught in the NMT seminars for many types of disorders. Using NMT I have eliminated allergies in numerous clients. NMT as taught in the seminars has also successfully corrected for my clients the following disorders: chronic neck and shoulder pain, hip and leg pain, chronic knee pain, chronic fatigue symptoms, autistic symptoms, colds and flu, respiratory tract infections, and many other disorders. These disorders have been corrected as taught by use of the NMT seminar manual the system works as disclosed in that manual.

The application of NMT pathways is useful in correcting numerous disorders and is excellent in alleviating symptoms for my clients. NMT has become the most effective tool that I can offer my clients and has proved successful in more cases than I can mention here. My clients are extremely pleased to have this non-invasive, gentle method available to them.

Sincerely,

Nancy Michelli
